Rest Stop Site Recommendation

The following message from the City of Eugene announces potential Homeless Rest Stop Sites. This web link is to the agenda for tonight's meeting, October 28 at 7:30 at Harris Hall.

"The City Council approved the establishment of a rest stop pilot program that will create a site or sites where up to 15 homeless individuals will be allowed to camp. Last month a list of potential sites was presented, and on Monday, October 28th, the Council will receive a recommendation from the City Manager to approve two pilot rest stops: NW Expressway at Chambers in the River Road neighborhood, and Roosevelt, west of Garfield, in the Trainsong neighborhood.

Based on the sites available, the NW Expressway and Roosevelt sites provide the best possibility for a safe and successful pilot program. One of the rest stops would be opened as soon as possible and the second if the first is successful.

If the sites are approved by the Council, city staff will begin working to identify an operator, outreach to neighbors, and establish agreements to open the first location as soon as possible.

We understand the neighborhoods may have questions and concerns and we would welcome any input. Please feel free to direct any questions or concerns to" Michael Wisth at [541.682.5540](tel:541.682.5540) or Michael.C.Wisth@ci.eugene.or.us
